

Fast Forward

People and P

Name

Centre

Fast Forward Hull is a unique blended learning resource for students with basic literacy skills. It was devised by Sheffield College in collaboration with adult basic skills specialists from Hull University, Hull Adult Education and Hull College.

The resource is centred on Hull's people and landmarks. It addresses traditional and digital literacy needs, combines some relevant numeracy and builds basic employability skills.

Fast Forward Hull is in three sections,

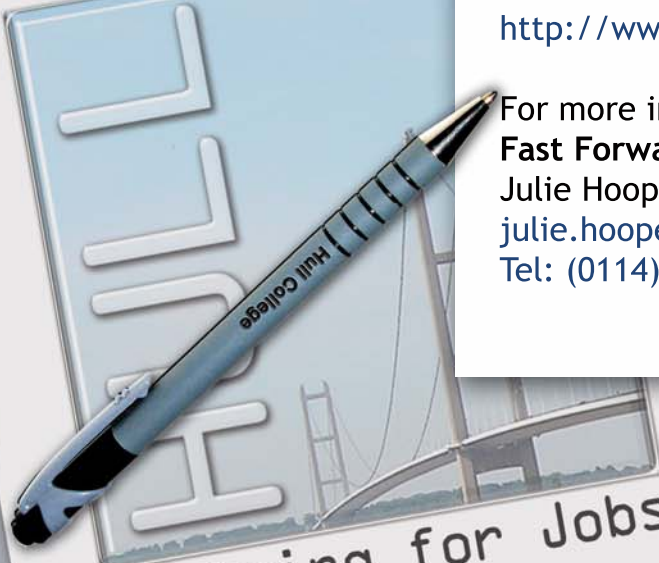

- ▷ People and Places
- ▷ Looking for Work
- ▷ Applying for Jobs

These materials are a combination of printed workbooks and computer-based learning. The electronic materials can be downloaded from Yorkshire and Humber digital 2020 website, <http://www.digital2020.org.uk/skills>
